## APPLICATION QUESTIONS

- 1. Read Philippians 2:9-11.** How would you like to see the reality that Jesus Christ is Lord and highly exalted reflected in your life most this week?
- 2. Read Ephesians 4:17-24.** Why should we think of our “work” in sanctification not as a burden but as something good & positive? Why should “working out our salvation” be a joy?
3. Think through the tools (Word, prayer, and suffering) that were mentioned in the sermon. How have you seen God use these tools to help you “work out your salvation”? In what ways would you like to grow more effective in learning from these things?
- 4. Read James 4:6-8.** As you think through areas of needed growth in your life, how will those situations require you to submit or yield your desires and impulses to His will? Why is God’s will better than yours in those areas?
- 5. Read Philippians 2:13.** How does it encourage you to know that God is working in you and that His purposes are good? Find at least one other verse that emphasizes these same themes and meditate on it when you are discouraged this week.
