## APPLICATION QUESTIONS

1. **Read Ephesians 2:8-10 & James 2:18-26.** Why is it important for us to be precise in our thinking and our teaching in explaining that our works do not earn our salvation but are a necessary evidence of it? What problems will arise if we are unclear here one way or another?
2. As you consider Noah's example of obedient faith, are there any steps of obedience that you are convicted that you need to take? If so, what?
3. **Read Hebrews 6:11-12.** Would you say you have "full assurance of hope" with regard to your salvation? Biblically, how is it possible to have confidence that you are truly saved and to have no fear of condemnation?
4. **Read 2 Peter 3:11-13.** How does the coming judgment make you rethink your priorities? How should your life look differently because of these realities?
5. **Read Genesis 8:1.** How does it encourage you in your current circumstances to know that God remembers his people? How can that motivate your patience, and what does that patience need to look like for you right now?
