# HOMEWORK

### CRAFT

With a piece of blue paper fold the edges of a sheet of paper in toward the center until the edges meet. When you unfold your paper, there's a dry path down the middle/ This reminds us of how God parted the water of the sea.

### SONG

How did Moses cross the Red Sea?  
 How did Moses cross the Red Sea?  
 How did Moses cross the Red Sea?  
 God did!

### ACTIVITY

Pass a ball back and forth while music is playing when you pause the music the person has to shout out something that is scary. We all get scared sometimes BUT God helps us when we're afraid.
